

**STATEMENT PURSUANT TO SECTION 6247
OF THE CALIFORNIA SALES AND USE TAX LAW**

 STATE OF CALIFORNIA
BOARD OF EQUALIZATION

Please submit a copy of this form, the sales contract, and, when applicable, a completed form BOE-448.

The timely acceptance in good faith by the retailer (seller) of a full and complete 6247 Statement from the purchaser will relieve the retailer of any liability for failure to collect use tax from the purchaser. The seller must retain the original statement. If the seller, in good faith, does not collect the use tax from the purchaser and it is determined that the vehicle was purchased for use in California, the purchaser must pay the applicable use tax directly to the State Board of Equalization. Seller: If you complete California registration on behalf of the purchaser, and it is determined that the vehicle was actually purchased for use in California, your good faith acceptance of this 6247 Statement may be questioned and you may be held liable for the use tax.

Seller — please retain the original for your records, provide a copy to the purchaser, and send a copy of this statement to:

NOTICE TO PURCHASER

Please note that, if this vehicle is, for any reason, other than qualifying warranty or repair service, brought into California within the first 12 months of its delivery, it shall be presumed that you have purchased the vehicle for use in California and you may owe California use tax. If use tax applies, you must pay it directly to the State Board of Equalization.

Since you are claiming that this vehicle is not purchased for use in California, *it is important that for the first 12 months of ownership, you obtain documentary evidence of the place of use of this vehicle (for example, proof of registration in another state, gas and/or service receipts, credit card statements, check registers, travel logs, lodging, or campground receipts, etc.)*. Because the Board may have up to 8 years to determine whether your vehicle was actually purchased for use in California, you should retain records for at least 8 years showing your out-of-state use during the first 12 months after your purchase. For more detailed information, please contact the Board's Information Center at 800-400-7115 or the Board's Consumer Use Tax Section at 916-445-9524.
